WomenForData Summit-2026

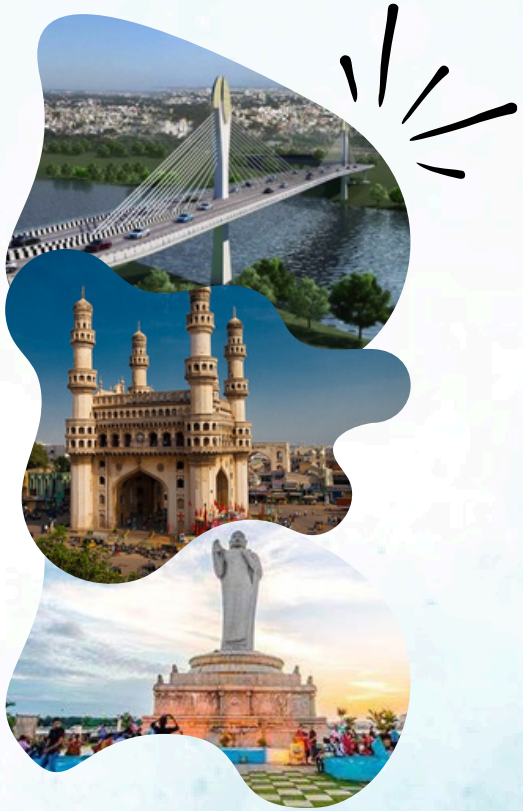
Friday 30th January

@ Hyderabad!!

POSTGRES WOMEN INDIA

WomenForData Summit-2026

Empowering Diversity, Fuelling Innovation



We are thrilled to invite you to participate in a groundbreaking event celebrating innovation, diversity, and leadership in the world of data. WomenForData Summit 2026 is more than just a conference, it's a movement designed to empower, inspire, and connect Women in data and technology across the globe.

This 2nd edition of WFD Summit will bring together trailblazing leaders, data professionals, entrepreneurs, and visionaries to share their insights, foster collaboration, and shape the future of the data ecosystem. From engaging Keynote session, technical talks, and thought-provoking panel discussions, this event promises to be an immersive experience for anyone passionate about the evolving data landscape. Join us as a sponsor, delegate, or speaker and take your place at the forefront of this exciting journey towards empowering WomenForData.

Our Single-point Agenda

POSTGRES WOMEN INDIA

Collaboration, Empowerment, and Innovation by Women in Data

MISSION

To empower and uplift Women in the PostgreSQL community through education, mentorship, and advocacy, fostering an inclusive environment where every woman can thrive, innovate, and lead within the Postgres ecosystem.

VISION

To create a world where women in Postgres are equitably represented, celebrated, and supported, driving the future of open-source technology and building a stronger, more diverse community.

What does the Summit offer?

POSTGRES WOMEN INDIA

- Technical talks on Postgres; Data & AI
- An engaging Keynote session
